Tuesday Phonics Beginning Blends	Get a plate and fill it with one thing: sugar, rice, salt or something else tiny. Watch the lesson again and say and write the blends in your plate with your finger with the video.	Click HERE to write the word.	Click HERE to read a story and then highlight the words with the blends.	Click HERE to write words with blends. After that, write the word in a sentence.	CHALLENGE: Pick 1 word with a blend. Write a story about it (about 5 or more sentences). Then go back, and hunt for more blends.
Wednesday Math Place Value and Fractions	Click HERE for the activities.	Click HERE for the activities.	Click HERE for the activities.	Click HERE for the activities.	CHALLENGE: Click HERE for the activities.
Thursday Science Animal Categories	Click HERE to watch a video about how to group animals. Play the easy or hard quiz after.	We can group animals by where they live. Draw pictures or make a list of animals that live on land and animals that live in water. What do the land animals have in common? What do the water animals have in common?	Draw your own animals or use toy animals in your house and find different ways to group them! Example: covering, appendages, land vs. water home	Play the PDF sorting game " Guess My Rule "	CHALLENGE: Create your own animal. Describe its covering, appendages, how it moves, and where it lives. Don't forget to draw a picture of your animal and give it a name!
Friday History/Social Studies U.S. Symbols (page 13) VA Symbols (Honoring Memorial Day)	We use the United States Flag to show our pride in living in the U.S. and to honor people who helped us stay safe and free. Click on the title to learn more. Choice 1 Choice 2	Click on the title to sort the American Symbols. (Pick 1) U.S. Symbols VA Symbols OR Play a matching game. (Print or make the cards.) U.S. Symbols Match	Dig into your family history. Do research with your family about your family's/ancestor's country. What does the flag look like? What does each color, object and shape represent? Click HERE for a template.	Create a flag about you or a made up country. What colors, shapes, and objects would you use? Why are they important? Click HERE for a template.	CHALLENGE: Click HERE to look at the pictures and explain how the American flag has changed. Can you tell which one is from the past (the original) and the one from now?
Specials	Click HERE for the Specials Virtual Learning Website. Find the lessons/Learning Choice Board. Pick a new special each day. Remember to get up and move every day! Technology Option: Pick a website to play! Raz-Kids, DreamBox , Starfall or ABCYa .
