

MHES Principal Advisory Council Meeting Minutes

January 29, 2025

Welcome and introductions of all attendees:

Julie Cuocci, principal
Isabel Henderson, admin student
Theodosia Battiest, admin intern
Chris Knighting, assistant principal
Elia Matute, PAC Chairperson
Kim Rosales, PTO President
Caroline Lewis, PTO Treasurer
Tamara Vasquez, Parent Liaison

The Power Point for PWCS and MHES data was reviewed. This included:

- Division goals and data in reading and math as well as chronic absenteeism
- MHES data and CIP goals in reading, math, and science as well as chronic absenteeism
- State accreditation information
- Federal accreditation information
- Graduation rates

Ms. Matute shared that hearing the graduation rate data was eye opening and that it would be powerful for more parents to hear that information as it was presented. She noted it could be impactful when we call about attendance.

Our SACI Representative had an appointment and was unable to attend this month. She will share both updates in February.

PTO provided an update during Open Chair to highlight the Valentines fundraiser and a March 6 Texas Roadhouse fundraiser. Our PTO president has military orders and will be leaving effective this week. We will be searching for another PTO president.

No additional questions or comments. Meeting was adjourned at 6:50.
