- Targeted Support and Improvement (TSI)

TSI schools are identified annually and are schools in need of support for specific student groups.

Identification Criteria:
- Schools may be either Title I or non-Title I
- Schools must have low-performing student groups (Economically Disadvantaged, English Learners, Students with Disabilities, Asian, Black, Hispanic, Multiracial, White)
- Student groups did not meet the interim measures of progress in reading and math for the previous two consecutive years and are in the lowest two quartiles for growth for one year in reading or math
