Notes for Parents/Guardians/Students:

- The Student Virtual Schedule will be posted on Class Web Pages.
- Physical activity is encouraged daily. PE teachers will upload activities Mondays-Thursdays at 9:00 am.
- Classroom teachers will upload optional review material to their class web pages at 10:00 am for specific subjects on the specified day.
- Art, Music, Guidance, Library and Strings teachers will upload activities to their class web pages at 1:00 pm on their specified day.
- Although, teachers have a specific time to post review lessons and activities, please remember that there is no set time of the day in which students can complete the optional review assignments.
- No work will be graded, however, providing ongoing growth producing feedback to students is imperative, when possible. Ultimately, it is the quality feedback from teachers and not a grade that helps a learner improve their learning outcomes.
- The end of the 3rd quarter is April 24. Students may redo any work from the 3rd quarter in an effort to improve their grade.
- *All teachers will have “Virtual Office Hours” on Fridays. Please check their webpages for specific times.
- **Strings is for 5th grade students only.
